

CHOOSE THE BEST AIR QUALITY CONTROL AND VENTILATION SOLUTION FOR YOUR SPACE

Designed for homes and cottages, condos and apartments, basements and crawlspaces.

Perfect for Airbnb's, vacation rentals, and reclaiming space you never thought you could use before.

Quieter, more energy-efficient than a dehumidifier - it also improves the indoor air quality throughout the whole home.

Better than a dehumidifier, **HCS Humidex** systems with **myHome**® are more energy-efficient, quieter, and require no maintenance, saving you money on your electric bills year after year. Patented with proven results for nearly 30 years!

Humidex® units can be found in thousands of residences across North America.

"Who knew we could convert our basement into such a dry, usable, money-making space? It's now an Airbnb that's getting great reviews. My wife and I laugh when they comment specifically about how good it smells!"

"We love going to our cottage as much as we can, but it can be closed up for periods of time. Great to be able to monitor from wherever so we arrive to fresh air inside and out!"

"I can't believe how many things we've thrown out over the years because they smelt musty or got moldy. I wish we knew about this product earlier!"

Humidex® products are designed and manufactured by ClairiTech Innovations Inc., a New Brunswick-based company committed to evolving clean air technologies.

CONTROL YOUR INDOOR AIR QUALITY FROM HOME OR AWAY

INTRODUCING
myHome

Because
CLEAN AIR
matters with
EVERY BREATH

CLEANER INDOOR AIR MEANS HEALTHIER LIVING

The new HCS Humidex® series with myHome® - a smart, care-free solution

Introducing our most innovative moisture control and ventilation units ever, with a smart app that allows you to remotely monitor your home's indoor conditions 24/7 from your phone, tablet, or computer.

Benefits - 24/7, 365 days a year!

Eliminates bad smells, reduces moisture, prevents mold, and detects & exhausts dangerous carbon monoxide.

Enjoy the immediate and long-term health benefits – removes allergens, pollutants and toxic gases.

The new HCS Humidex® series with myHome® is guaranteed to help you, your family, your tenants, or your guests breathe easier every day!

NORTH AMERICANS SPEND 90% OF THEIR TIME INDOORS.

HUMIDEX®
WWW.HUMIDEX.COM
Better air. Better living.

WHY BETTER AIR MEANS BETTER LIVING.

Enjoying all the benefits of clean, quality indoor air is a year-round commitment. Many factors affect your indoor environment including changing seasons, geographic location, full-time or part-time occupancy, cleaning, repair and maintenance.

What you don't see that matters most

- Year-round moisture control, clean air & comfort, 24/7
- Reduced pollutants, radon, CO
- No musty smell, stale air
- No maintenance
- Quiet, efficient

What you do see that makes a difference

- Lower energy bills - \$3-\$5/month (vs at least \$50/month for an Energy Star dehumidifier)
- Drier, more usable space
- Attractive, sleek, modern design

How you feel tells you you've made the right decision

Reduces or eliminates:

- Allergic reactions, sneezing, nasal congestion
- Asthma symptoms
- Upper and lower respiratory problems, wheezing, coughing
- Irritation of the eyes, skin, nose, throat, and lungs
- Sore throat, Rhinitis.

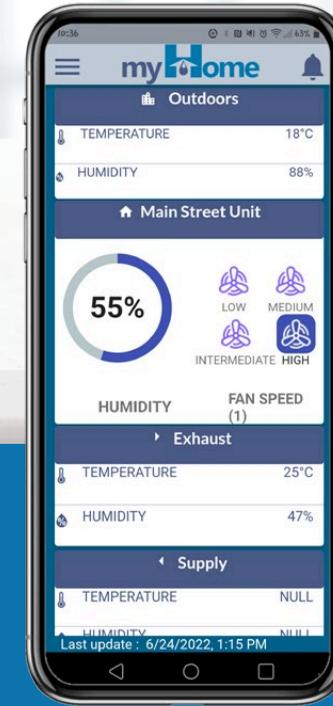

YOU'RE IN CONTROL WITH THE TOUCH OF A BUTTON – OR THE TAP OF A SCREEN!

With **HCS Humidex** and **myHome** you can manage your settings more accurately, at any time, from anywhere. Plus, it will detect the presence of dangerous levels of carbon monoxide and start working immediately to reduce it and make your home safer and more comfortable again.

UP TO 50% OF THE AIR YOU BREATHE INDOORS HAS WORKED ITS WAY UPSTAIRS FROM AN UNHEALTHY CRAWLSPACE OR BASEMENT ENVIRONMENT.

myHome® gives you 24/7 unlimited access to:

- your settings & controls
- your real-time unit conditions
- your local weather
- your unit registration
- managing multiple units.

Your **HCS Humidex**® unit with **myHome**® lets you:

- achieve more accurate humidity control anytime, anywhere
- optimize air quality, all year round, from your phone, tablet or computer
- reduce damaging moisture and condensation
- eliminate bad smells, musty odors, allergens, and reduce harmful gases
- prevent costly mold and mildew damage to stored items, furniture, and clothing

HCS Humidex® unit with **myHome**® advantages include:

- energy-efficient with very low electricity consumption
- easy to install, effortless to maintain, and never any water to empty
- two separate apartment/condo models available: Standard and Hard-Connect
- a built-in Carbon Monoxide Sensor monitors and expels carbon monoxide emissions
- models for apartments, condos, on-slab homes, and homes with basements or crawlspaces

MOBILE ALERTS WILL NOTIFY YOU OF ANY POTENTIAL AIR QUALITY PROBLEMS!

Expand Your Comfort with SRV45 unit

Enhance your indoor air quality by pairing your HCS Humidex myHome system with our standalone air treatment units "**SRV45**".

For optimal comfort throughout your home, you can connect up to three SRV45 units to a single HCS Humidex myHome.

Available as an option and sold separately, the SRV45 units are automatically recognized as secondary units and operate seamlessly according to the control logic of the main HCS Humidex myHome system.

No complicated setup required.

Simple set-up, easy maintenance

Your **HCS Humidex**® unit with the **myHome**® smart app is quick and easy to set up, with built-in support. Our professionals will ensure that it is done just right so you can start enjoying the benefits right away.

Warranty:

- Five (5) year on parts and electrical
- Two (2) years on all electronic components and on the wireless control

Your satisfaction is assured by our highly responsive technical assistance and customer service teams.

The HCS Humidex is built to the highest standards and it is backed by an exceptional 1-Year Performance Guarantee! Installation by a factory-authorized professional qualifies your system for this industry leading performance guarantee. Certain conditions apply.
